CRAB LEGS & BUCKET OF BOAT TRASH

Unfortunately this season's harvest of our TOP GRADE Crab Legs has been extremely disappointing. There are crab legs available but they are not up to our standards. Instead of serving a sub-standard product we would rather take them off our menu. As soon as OUR crab legs become available we will bring them back. We apologize to you Crab Leg lovers - we share your disappointment! But we are at Mother Nature's mercy on this and we refuse to compromise our standards. We will make an announcement as soon as OUR Crab Legs are back. Thank you for your patience and understanding.

Eating RAW OYSTERS, CLAMS OR MUSSELS may cause severe illness. People with the following conditions are at especially high risk: liver disease, alcoholism, diabetes, cancer, stomach or blood disorder, or weakened immune system. Ask your doctor if you are unsure of your risk. If you eat shellfish and become sick, see a doctor immediately.
